IRRORATRICI PORTATE
Kompakt
MOUNTED SPRAYERS

Irroratrici portate compatte, robuste, leggere e versatili
barre idrauliche a 2 pistoni mt. 12 - 14 - 15
Mounted sprayers with 2 pistons hydraulic booms
12 - 14 - 15 mts. - compact - robust - light - versatile

specifiche tecniche

capacità nominale	lt. 1000	nominal capacity
capacità effettiva	lt. 1060	actual capacity
serbatoio lavaimpianto	lt. 100	rinsing tank
serbatoio lavamani	lt. 15	hand washing tank
pompa	AR160BP standard / D203 optional	pump
impianto idraulico	del trattore / provided by tractor	hydraulics
barre idrauliche zincate a caldo	2P 12/14/15	galvanized hydraulic booms
sollevamento idraulico	a slitta / slider	hydraulic lifter
regolazione in altezza barra	mm. 500 - mm. 1600	boom height range
correttore d'assetto idraulico	optional	hydraulic tilt regulation
sospensione sollevamento	standard	main lifter suspension
distribuzione volumetrica elettronica	B180 optional	automatic electronic spray regulation
comandi elettrici	standard	electric commands
suddivisione barra	5 sections standard	boom sections
mixer K30	optional	mixer K30
circuito lavapareti	optional	main tank internal washing system
supporto alla guida GPS	optional	GPS drive aid
triget	optional	triget
peso max a secco	Kg. 770	max dry weight
peso max a pieno carico	Kg. 1900	max full-load weight
ingombri max con barra mt. 12 (AxBxC)	2450 x 2400x1300	max measures with 12 mts. boom (AxBxC)
ingombri max con barra mt. 14 (AxBxC)	2700 x 2400x1300	max measures with 14 mts. boom (AxBxC)
ingombri max con barra mt. 15 (AxBxC)	2980 x 2400x1300	max measures with 15 mts. boom (AxBxC)
